

New insights to drive new growth

## Your go-to app for store checks

The easiest way to mobilize your team to collect and share photos from the field. Our app lets you upload photos as you take them and is simple enough for even first-time smartphone users to quickly learn how to use.

## See what your shoppers see

See more stores, explore other countries, go back in time, get alerts, and collaborate with your team on retail execution. Walk the aisles from your computer on the Shelfgram platform.

## Collaborate in a private space

Everything you need to understand how your business is executing at brick-and-mortar retail plus the tools for your team to collaborate on improving retail execution.
